A Friendly Reminder

Every January we remind parents of the substantial number of unmarked and unclaimed clothing items that are left lying around the school. We want to see this clothing get back to you, however when it is unmarked we can only hang items on the fence and hope you see them! Please clearly mark your child’s name on the tag or next to the tag so we can return the item to you. If your child comes to school with an unmarked jacket or sweater and leaves it lying around it will only be kept for short time before it is donated to a charitable organization. Thank you for your help and support.

“Therefore, if anyone is in Christ, he is a new creation; the old has gone, the new has come!”
